

STATEMENT BY THE NOMINATION COMMITTEE PRIOR TO THE 2023 ANNUAL GENERAL MEETING OF ONCOPEPTIDES AB (PUBL)

The Nomination Committee's establishment

At the annual general meeting on 17 May 2018, it was resolved to adopt principles for the nomination of and instructions for the Nomination Committee of Oncopeptides AB (publ) ("Oncopeptides" or the "Company"). Prior to the Annual General Meeting 2023, the Nomination Committee consists of Staffan Lindstrand, nominated by HealthCap VI L.P., Patrik Sobocki, nominated by Stiftelsen Industrifonden, Caroline Mebius, nominated by Handelsbanken funds and the Chairman of the Board of Directors, Per Wold-Olsen. Staffan Lindstrand is the Chairman of the Nomination Committee.

The Nomination Committee's work

The Nomination Committee has since its establishment held two formal meetings, with numerous additional interactions via phone and e-mail. The Nomination Committee has received a report from the Chairman of the Board of Directors on how the work has been conducted in the Board of Directors as a whole and in the committees and has discussed the work of the Board of Directors and the committees with members of the Board of Directors. The Chairman of the Board of Directors has provided an account of the completed evaluation of the Board's work and the Nomination Committee has reviewed and discussed this evaluation.

Prior to the Annual General Meeting 2023, the Nomination Committee has discussed in detail the requirements in terms of diversifications regarding competences, experience and background that may be placed on the Board of Directors of Oncopeptides, taking into account, among other things, the Company's situation, strategic development, governance and control as well as the size, breadth and diversity of competence, international experience, age, gender, background and experience. In addition, independency matters have been taken into account in the Nomination Committee's discussions, and an assessment has also been made of the capacity of each individual board member to devote sufficient time and commitment to the work of the Board of Directors.

The Nomination Committee's proposal for the number of members of the Board of Directors and the number of auditors

The Nomination Committee proposes that the Board of Directors shall consist of six members and that one chartered auditing firm should be elected as auditor.

The Nomination Committee's proposal for the Board of Directors

The Nomination Committee proposes the re-election of Per Wold-Olsen, Brian Stuglik, Cecilia Daun Wennborg, Jarl Ulf Jungnelius, Per Samuelsson and Jennifer Jackson, with Per Wold-Olsen as Chairman of the Board of Directors.

Information about the directors proposed for re-election is available in [Schedule 1](#).

The Nomination Committee has as its starting point the principle that the Board of Directors should be characterized by versatility and range regarding competences, national and international experience and background. The Nomination Committee finds that the work of the Board of Directors has been performed well and that the Board of Directors has been appropriately composed in terms of the members' competences, experience and range regarding background and qualifications.

Given the Company's current stage of development, the Nomination Committee has an objective to maintain the international profile of the Board of Directors, placing particular emphasis on commercial experience, network and skills.

It is the view of the Nomination Committee that the proposed size and composition of the Board of Directors provides the conditions to monitor, challenge and support the management of the Company regarding strategy formulation and implementation, operations and future development effectively. The Nomination Committee's proposal for the Board of Directors means that two of six members are women and that three of six members have strong pharmaceutical market experience. The Nomination Committee strives for diversity in several aspects, primarily gender and international pharmaceutical experience. The desire for a balanced gender distribution and international pharmaceutical experience will be a factor for consideration in connection with the selection of future new Board members.

The Nomination Committee complies with the Swedish Corporate Governance Code (the "Code"). When assessing the independence of the proposed Board members, the Nomination Committee has found that the proposed composition of the Board of Directors fulfills the requirements regarding independence set forth in the Code. In relation to the composition of the Board of Directors, the provisions of rule 4.1 of the Code have been applied as diversity policy and with regard to the objectives of that policy, which has resulted in the Nomination Committee's proposal for the Annual General Meeting 2023 regarding the election of the Board of Directors.

The Nomination Committee's proposal for determination of directors' and auditor's fees

The Nomination Committee proposes remuneration to the Board of Directors with three components where the basic remuneration corresponds to a value of SEK 2,250,000, work in committees and travel allowance corresponds to SEK 607,500 and share awards a value of SEK 1,950,000. Total remuneration corresponds to a value of SEK 4,807,500 until the end of the Annual General Meeting 2024. The proposed remuneration for ordinary work of the Board of Directors (excluding work in committees and travel allowance) for the period until the end of the Annual General Meeting 2024 corresponds to a total value of SEK 4,200,000.

Remuneration for ordinary work of the of Board of Directors are proposed to be allocated in accordance with the following:

- SEK 1,500,000 to the Chairman of the Board of Directors (of which 50 per cent in cash and 50 per cent in share awards); and
- SEK 600,000 to each of the other Board members (of which 50 per cent in cash and 50 per cent in share awards) however, that Per Samuelsson has declined to receive share awards and will therefore only receive 50 per cent in cash.

The proposal on remuneration in the form of share awards is conditional on the Annual General Meeting resolving on the Nomination Committee's proposal for a long-term shareholder program for members of the Board of Directors of Oncopeptides ("Board SHP 2023"), for further information please see item 15 in the notice to the Annual General Meeting 2023. Should the majority requirement not be met, the Nomination Committee proposes that the remuneration amounts stated above be paid in full in cash, whereby the Board members are requested to invest 50 per cent of the remuneration amount (net of tax) in shares in the Company by buying shares on the market.

In addition to the above proposed remuneration for ordinary board work, it is proposed that each of the Board members residing in the United States shall receive an additional amount of SEK 100,000 and each of the Board members residing in Europe, but outside the Nordics, shall receive an additional amount of SEK 50,000.

The proposed remuneration for work within the committees of the Board of Directors for the period until the end of the Annual General Meeting 2024 amounts to a total of SEK 357,500 and shall be allocated in accordance with the following:

- SEK 82,500 to the Chairman of the Audit Committee and SEK 27,500 to each of the other two members;
